Polyester Twill

- Hand wash cold, using a mild detergent (NO HEAT OR BLEACH).
- Air dry or tumble on low without heat.
- If combined with sequins, use sequin care instructions (DO NOT USE WOOLITE).

Sequins

- Hand wash in cold water using a mild detergent. Do not wring garment. Roll in a towel to remove excess moisture.
- Lay flat to dry (DO NOT USE WOOLITE).
- Sequin items can not be exposed to perfumes, hairspray, deodorant, or any alcohol based substance. Should any of these products become wet, they should be rolled in a towel to remove the moisture and lay flat to dry. Sequin garments should never be stored in plastic garment bags or covered with any air-tight bag.
- Due to the delicate nature of the fabric used in your uniforms, we can not predict the life expectancy and make no warranty either expressed or implied.

We suggest using Color Catchers on garments that have dark and light colors mixed.

Metal buttons will need to be wiped dry immediately after washing.

Please test one garment before cleaning all garments. Thank you!
